"Just Ride It!"

GOLD CREEK LEASE PROGRAM

The Gold Creek lesson horses are available for lease to students in our program only. To be eligible to lease one of our horses, students must currently be enrolled in weekly lessons and be at least twelve (12) years of age (exceptions permitted upon approval).

The lease program is set up for students to be able to practice what they are learning in their lessons and to have **priority use** of their leased horse for their lessons. Leasing allows the student use of the horse for a 2 hour block of time scheduled each week in the same time slot (similar to lessons). Vigorous riding is only allowed for 1 hour of that block.

Trail rides are allowed if the lessee is over the age of 18. Younger riders may only trail ride with an adult rider present.

Leases on school horses are subject to Gold Creek approval, i.e., able to ride independently without supervision as certified by his/her instructor.

Lease prices are as follow:

Quarter Lease (1 day/week).....	\$165/month
Third Lease (2 days/week).....	\$265/month
Half Lease (3 days/week).....	\$330/month

Call the Main Office for availability and further information.
