CANCELLATION/LESSON MAKE-UP POLICY

Lessons for which notice of cancellation occurs more than 48 hours in advance will be allowed to schedule a makeup lesson. All makeup lessons must occur within the same session that the missed lesson occurred. Makeup lessons will be scheduled first into any open time slots with your regular instructor. If that is not possible, you will be scheduled with one of our other instructors. Makeup lessons are scheduled only to the extent that we have lesson openings. In some cases, you may not be able to reschedule a makeup lesson, even when adequate notice is given.

No shows and cancellations with less than 48 hour notice are not eligible for makeup
