GOLD CREEK LESSON/LEASE HORSE PROGRAM

The Gold Creek lesson horses are available for lease to students in our program only. To be eligible to lease one of our horses, students must currently be enrolled in weekly lessons. The lease program is set up for students to be able to practice what they are learning in their lessons. Leasing allows the student use of the horse for a 2 hour block of time. Vigorous riding is only allowed for 1 hour of that block. Trail rides are allowed if the lessee is over the age of 18. Younger riders may only trail ride with an adult rider present. **Leases on school horses are subject to Gold Creek approval**, i.e., able to ride independently without supervision.

Lease prices are as follow:
Half Lease (3 days/week).....$300/month
Third Lease (2 days/week).....$240/month
Quarter Lease (1 day/week).....$150/month
