# HORSEMANSHIP CAMP THIS SUMMER AT GOLD CREEK

Gold Creek's 3-day horsemanship camps are a great way for beginner riders aged 4.5-9 years to gain experience riding, caring for horses, and enjoying all that the barn has to offer. All sessions feature experienced instructors and a low student-instructor ratio. Campers are expected to bring a water bottle and sack lunch. Appropriate dress includes jeans or riding pants, boots with a heel, and a riding or bike helmet.
